Terms & Conditions

The discounted total price is subject to transferring the ownership of the Small - Scale Technology Certificates (STCs) to us at the rate of when the system is installed.

1. Shading and roof properties are not in our hand, in signing this, you understand that your solar panels locations may not be perfect. If you are given a panel layout at the point of sale, it is not 100% confirmed as the final decision will be made by Installer onsite.
2. Generation of electricity by the solar system is only an estimate. Numerous factors, like clouds, climate conditions, roof directions, your usage habits might affect the amount of money you will save with the solar system.
3. Standard installation timeframe is 4-8 weeks. However, depending on the location it could take longer. You deserve the right to cancel this contract if you do not wish to wait for the install. Full Payment after the deposit is to be received on the day of installation. We deserve the right to cancel this contract if you do not make payment for the system on the day when we come to install the system.
4. I agree to be liable for payment in full of the total price of \$ **1100,00** or as agreed on the payment plan.
5. Paying a deposit you agree to our terms and conditions mentioned herein and at www.mpsolar.com.au for us to start processing your solar installation, We need you to sign this contract and send it to info@mpsolar.com.au or mail us to MP Solar Pty Ltd: UNIT 12, 41 PATRICIA STREET BLACKTOWN NSW 2148
